How we will calculate your balance: We use the method called the average daily balance (excluding current transactions). To get the “average daily balance” we take the beginning balance of your account each day and subtract any unpaid interest or other finance charges and any payments or credits. We do not add in any new purchases/advances/fees. This gives us the daily balance. Then, we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the “average daily balance.”

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your Account Agreement.

Security Service Line of Credit Agreement and Disclosures of Line of Credit Terms

1. **DEFINITIONS** – “Agreement” means this Security Service Federal Credit Union Line of Credit Agreement. “We,” “us,” “Credit Union” and “our” mean Security Service Federal Credit Union. “You” and “your” mean the person who signed an application for an Account with us. If more than one person signed an application for an Account with us, “you” and “your” mean each person who signed the application. “Account” means your Security Service Federal Credit Union PrimeLine of Credit Account. “Advance” or “Advances” mean any amount borrowed under the terms of this Agreement. “Check” or “Checks” mean the Security Service Federal Credit Union PrimeLine Checks issued to you for your Account with us.
2. **THIS IS YOUR CONTRACT WITH US** – You signed an application for an Account with us under which you agreed to the terms of this Agreement. On our acceptance of that application, it and this Agreement became your contract with us. You must keep all of your promises to us contained in the application and this Agreement.
3. **SAVE THIS AGREEMENT** – By obtaining Advances against this Account, you agree to the terms of this Agreement. You should read this entire Agreement and save it for your records.
4. **MILITARY LENDING ACT** – Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged.

If you are a covered borrower under the Military Lending Act you are entitled by law to an oral disclosure of your loan terms. If you would like to hear that disclosure, please call 1-866-452-6945.
5. **ADVANCE**– You may borrow money under the terms of this Agreement by: a) overdrawing your checking or savings account linked to this Account, b) by writing a Check or c) requesting a transfer from your Account to your checking or savings account. Advances that are made on your behalf to cover an overdraft will be made for the amount of the overdraft rounded up to the next \$100 increment. We will pay any properly completed and signed Check presented to us for payment and will honor your other authorized borrowing requests except where this agreement provides differently. You agree not to write any Checks against this Account for amounts less than \$100. We may, but are not obligated to, pay Checks written for less than \$100.
6. **YOUR PROMISE TO PAY (ALL APPLICANTS)** – You agree to repay us for all Advances extended to you for your Account, together with all interest charges and all other charges described in this Agreement, whether or not the credit extended to you is within your credit limit. You agree to pay these amounts at the time and in the amounts provided in this Agreement. If you allow any person to write a Check, you must pay for that individual’s Advance also. If more than one person made the application, each of you promises to pay all amounts owed to us under this Agreement. This means that we may collect money owed to us from each of you or from all of you.
7. **CREDIT LIMIT** – We will inform you of the maximum amount that you may owe us at any one time. That amount is your “Credit Limit.” You may not exceed your Credit Limit. We are not obligated to all additional Advances or pay any Checks if you are already up to your Credit Limit or if the Advance or Check would take you over your Credit Limit. If we pay an Advance or a Check that causes you to exceed your Credit Limit, you must pay the full amount over the Credit Limit immediately.
8. **INTEREST CHARGE** –We figure the interest charge on your account by applying the periodic rate to the “average daily balance” of your account. To get the “average daily balance” we take the beginning balance of your account each day and subtract any unpaid interest or other finance charges and any payments or credits. We do not add in any new purchases/advances/fees. This gives us the daily balance. Then, we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the “average daily balance”.

9. **VARIABLE ANNUAL PERCENTAGE RATE** – The variable **ANNUAL PERCENTAGE RATE** will be based on an index and is subject to change as of the first billing cycle following a change in the index. However, regardless of the Index value, the **ANNUAL PERCENTAGE RATE** will never exceed the maximum allowed by law.

The Index is the “Prime Rate” as published in the Money Rates’ table of the Wall Street Journal, Southwest Edition. The Index value used for a given billing cycle will be the value published on the first day of your billing cycle. If the Index is not published on that day, the most recently published value before that day will be used to determine the daily interest rate. If more than one Prime Rate is published, the Index will be the highest of the Prime Rates published. If the Wall Street Journal ceases to publish the Index, we will choose a new Index and give you notice of our choice. There is no limit on the amount the **ANNUAL PERCENTAGE RATE** may increase or decrease at any one time. The **ANNUAL PERCENTAGE RATE** at any time can be obtained by calling us at 1-800-527-7328.

**** THREE TIERS OF ANNUAL PERCENTAGE RATES ****

- (a) **PrimeLine Gold** - the **ANNUAL PERCENTAGE RATE** will be **2.75** percentage points above the Index stated above. The periodic rate of interest charge is $1/365^{\text{th}}$ of the **ANNUAL PERCENTAGE RATE**.
- (b) **PrimeLine Silver** - the **ANNUAL PERCENTAGE RATE** will be **5.75** percentage points above the Index stated above. The periodic rate of interest charge is $1/365^{\text{th}}$ of the **ANNUAL PERCENTAGE RATE**.
- (c) **PrimeLine** - the **ANNUAL PERCENTAGE RATE** will be **10.50** percentage points above the Index stated above. The periodic rate of interest charge is $1/365^{\text{th}}$ of the **ANNUAL PERCENTAGE RATE**.
10. **EFFECT OF INCREASE IN THE ANNUAL PERCENTAGE RATE** – If the Prime Rate as defined above increases, the periodic rate and the corresponding **ANNUAL PERCENTAGE RATE** will increase. If the Annual Percentage Rate increases, the amount of Interest Charge you pay will increase and your periodic payment amounts will increase.
11. **MONTHLY PAYMENTS** - The Minimum Payment for each billing cycle will be due at least twenty-one days after your statement is mailed or delivered to you, and will be either \$20 or 2% of the balance owing on your Account, rounded to the nearest dollar, whichever is greater. A Late Payment Fee, if assessed, will be equal to 10% of your scheduled payment amount. If your Account Balance is less than \$20, your Minimum Payment will be the amount of the Account Balance. In addition to the Minimum Payment, if your Account Balance exceeds your Credit Limit, you must pay any amount needed to reduce your Account Balance so that it does not exceed your Credit Limit. You may, at any time, pay more than the amount then due, or the full amount you owe us.
12. **AUTHORIZED USERS** – You agree that if this Account is attached to a deposit account other than an individual account, all joint owners of the deposit account will become authorized users of this Account and you will be responsible for repayment of any advances obtained by any joint owner.
13. **OTHER CHARGES** – In addition to the fees and charges listed everywhere in this Agreement, you agree to pay:
- (a) Returned Item Fee – is a fee for any check or other instrument given to us to repay, fully or partially, your Account Balance that is not honored by the financial institution upon which it is drawn.
- (b) NSF Fee – is a fee that will be assessed if a Check is presented for payment against your Account and you do not have sufficient available credit to cover the Advance, whether or not we honor the item.
14. **OTHER PAYMENT TERMS** – All of your payments to us must be in U.S. Dollars drawn on funds on deposit in the United States. You may not make a payment on your Account by means of a Security Service Federal Credit Union PrimeLine Check. We can accept late or partial payments, as well as payments that are marked with “paid in full” or any other similar language without losing any of our rights under this Agreement. We will apply payments and credits to your Account in the following order:
- (a) Interest,
- (b) Insurance,
- (c) Fees,
- (d) Principal.

If more than one person has signed the application and if one but not all of you requests or instructs us to cancel the borrowing privileges of the other(s) but not to cancel the Account, at our option, we may ignore the request or instruction, may follow the request or instruction or may suspend the borrowing privileges of all of you pending the resolution of any potential disputes among you. If you are not in default when your Account is cancelled you may continue to make monthly payments on your Account as provided in the Monthly Payments section and Interest Charge will continue to accrue until your Account is fully repaid. However, if you commit any of the defaults listed in the Default section after your Account is cancelled but before your Account balance is fully repaid, we can exercise any and all rights described in the Default section.

YOUR BILLING RIGHTS: KEEP THIS NOTICE FOR FUTURE USE

This notice contains important information about your rights and responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement:

If you think there is an error on your statement, write to us at the address listed on your bill. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least three business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter:

When we receive your letter, we must do two things: 1) Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error. 2) Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error: We cannot try to collect the amount in question, or report you as delinquent on that amount. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. While you do not have to pay the amount in question, you are responsible for the remainder of your balance. We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen: 1) *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount. 2) *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.
